WERE ABRAHAM, ISAAC and JACOB, JEWS?

Part 1 – The Beginning —- Were Abraham, Isaac and Jacob Jews?
Part 2 – The Patriarchs. – Were Abraham, Isaac and Jacob Jews?
Part 3 – Joseph The Patriarch and The Birthright Inheritance

*By Messenger Charles Crosby**

WERE ABRAHAM, ISAAC and JACOB, JEWS?

Now this is a very interesting question is it not? Why am I asking it? I am asking it for the simple reason that most people, out there, that know a little, or even a great deal, about early Bible history and the Book of Genesis, take it for granted that Abraham, Isaac and Jacob/Israel were Jews. The thing is, why, and is it true that they were Jews? Could we also ask the same question regarding Moses and Aaron (the Levites); were they Jews? For the same blind unquestioning belief applies. So what do people base this idea on and where is the Biblical evidence that proves these three men were Jews? You would think, by the way that the Cainite-Judeo-Christian Religion talks and teaches, there is neither doubt, nor any question, about it at all, such is their blind ignorant confidence. There are, too, of course, all those Jewish people of the Judaic Torah, Talmudic Religions and persuasions, that accept this idea as a given, as a concrete truth, no less. Moreover, it is so concrete or hard set in their minds, having being indoctrinated from cradle to the grave that they are the chosen race, that to contemplate anything else, let alone question this assertion or do some basic research to see if it's true, would be beyond the pale for them. Such is the blind belief and acceptance of this patently false idea. If The Truth were realised, this would be a real rent your clothes occasion, and not a pretty sight I might add. Lol.

So, if I prove that Abraham, Isaac and Jacob/Israel were not Jews, so what!? What use would that piece of information be? It all happened around 3,500 years ago, so who cares!? Unfortunately, not many people seem to care at all, but they should care, because this whole idea is the foundation of all corrupt religious ideas today, one of which being the idea that the present nation state of Israel, is actually real scriptural Israel, when all the while it is not. Yes, geographically it is the land once known as Israel, but that's where the connection ends. In effect, modern Israel is a counterfeit construct of the Rothschild banking 'elite', that is, the Canaanite Jewish bankers. All this was brought about by them with their agent Theodor Herzl well before WW1:

"Theodor Herzl (1860 – 1904) the author of political Zionism who is regarded by Jews and Israelis as Zionism's forefather, didn't pull his punches in his attitude to Diaspora Jewry. 'The wealthy Jews' Herzl wrote, 'control the world, in their hands lies the fate of governments and nations. They set governments one against the other. When the wealthy Jews play, the nations and the rulers dance. One way or the other, they get rich.' – Theodor Herzl" Gilad Atzmon, The Last Zionist – The Unz Review, 22nd July 2020

Even the so-called Star of David, a satanic pagan symbol, which has nothing to do with King David the Old Testament King of Israel, is also a counterfeit construct of these same Canaanite Jewish bankers, commonly known as the Banksters. These Canaanite Jewish bankers, again falsely called the 'elite', by many misguided people, are just low life gangsters, murderers and mobsters that make Al Capone look like a runner up. Biblically these Canaanite Jews are known as *'dogs'*.

"For [a pack of] dogs have surrounded me; A gang of evildoers has encircled me, They pierced my hands and my feet." Psalm 22:16 Amplified Bible

Yet, they have literally stolen all the gold and wealth of the British, American and European peoples (including those of the British Commonwealth) over the last 370 years or so, and all from under their very noses. We are talking a big time scam here, because all this theft has taken place with the blessings of vile corrupt politicians, and their equally corrupt, slimy media boot lickers, commonly known as presstitutes or journo-whores.

So, having revealed those little gems of Truth and made it very relevant for the 21st century, who else, apart from everyone, should care whether or not Abraham, Isaac and Jacob/Israel were Jews? Well, for starters, numerous Bible historians should care. I hope, too, that an even bigger number of real Christians, who are truly interested in The Truth, that is, Jesus Christ, will also care. I know that I care, because only The Truth interests me and, of course, anything else that shows up the Cainite-Judeo-Christian Religion for the diabolical sham and counterfeit that it is; it's all grist to the mill for me folks.

So let's get to the Biblical proof and evidence that Abraham, Isaac and Jacob/Israel were not Jews.

"And Haran died before his father Terah in the land of his nativity, in Ur of the Chaldees." Genesis 11:28 (MCV)

"And Terah took Abram his son, and Lot the son of Haran his son's son, and Sarai his daughter in law, his son Abram's wife; and they went forth with them from Ur of the Chaldees, to go into the land of Canaan; and they came unto Haran, and dwelt there." Genesis 11:31 (MCV)

"And he said unto him, I am The Yahavah that brought thee out of Ur of the Chaldees, to give thee this land to inherit it." Genesis 15:7 (MCV)

"Thou art The Yahavah the Yah, who didst choose Abram, and broughtest him forth out of Ur of the Chaldees, and gavest him the name of Abraham;" Nehemiah 9:7 (MCV)

So there we have it, Abram, later named Abraham, came from Ur in Chaldea. This means, whether we like it or not, that Abraham was a Semitic Chaldean and he was not a Canaanite Jew. He was also a descendant of Eber who in turn was a descendant of Shem, the son of Noah, and from Eber we get the name or title "Hebrew" (the 'h' being silent in the Hebrew tongue – Eberew or Ebrew).

From this we know that Abram/Abraham spoke Hebrew possibly with a Chaldee accent and from this we can easily deduce that the Hebrew language is not the language of the Canaanite Jews. It is a language they use, yes, but they cannot lay claim to it as being theirs. The Old English tongue and British Gaelic tongues of Cornwall, Wales, Scotland and Ireland are Hebrew in origin, as is Swiss German and these people are definitely NOT Jews.

We also need to realise that at no point in this early Biblical history, regarding Abram/Abraham's story, did God say to Abraham: *"from here on in thou shalt be know as a Jew"*.

At this point in time there were neither Canaanite Jews, nor Israelites on the face of the earth.

Alright then, but what about Isaac, he must have been Jewish; Isaac is a Jewish name isn't it? Yes, Isaac is a name the Canaanite Jews use, because the Jews falsely claim they are descendants of Abraham and, in turn, that still doesn't make Abraham a Jew, because the Jews didn't start from Abraham. This thing is all about Patriarchs and the Jew's Patriarchal forefather was someone else entirely. Yes, Abraham was the chief Patriarch, but there were other Patriarchs that were born of Abraham, including a Patriarch that would be called Israel.

We need to understand that Abraham was never called Israel even though he was a forefather of The Israelites.

Moving on, let's continue in Genesis and look at Sarah or Sarai, Abram's wife 'cos maybe she was Jewish:

"And Abram and Nahor (Abram's brother) took them wives: the name of Abram's wife was Sarai; and the name of Nahor's wife, Milcah, the daughter of Haran, the father of Milcah, and the father of Iscah." Genesis 11:29 (MCV)

Abram took Sarai (Sarah) to be his wife before he left Ur of the Chaldees, to live in Canaan. Sarai (Sarah) was his half sister, so she had to be a Hebrew speaking Semitic Chaldean too ; no Jews in this arrangement. So this must mean that Isaac wasn't a Jew either, as both his parents were Hebrew speaking Semitic Chaldeans, and not Jews.

So if Isaac wasn't a Jew then Isaac must have made Jacob a Jew through the woman he married. No such luck I'm afraid, for all of you who think Jacob was a Jew. Abraham's

servant was given very specific instructions by Abraham on the bloodline of the girl Isaac was to marry, and the Bible is very thorough in the detailed account of this crucial piece of history.

Let's return to Genesis for more evidence:

"And Bethuel begat Rebekah: these eight Milcah did bear to Nahor, Abraham's brother." Genesis 22:23 (MCV)

"And I will make you swear by the Lord, the God of heaven and the God of earth, that you will not take a wife for my son from the daughters of the Canaanites, among whom I live,4 But thou shalt go unto my country, and to my kindred, and take a wife unto my son Isaac." Genesis 24:3-4 (MCV)

No Bolshevik, Cultural Marxist, Jewish social engineering, diversity, miscegenation, race mixing, and multiculturalism going on here!!

Please pay special attention to the line I have emphasised above, for the Canaanites will feature in a big way later on in this story.

So again, there we have it, Hebrew speaking Semitic Chaldeans marrying Hebrew speaking Semitic Chaldeans, and not a Jew to be seen anywhere; Canaanites galore on offer, but no Jews. Why is that? Simple, no Jews, as yet, had been born – none of this is rocket science, folks, just simple genealogy.

Moving on again, enter: Esau and Jacob/Israel the offspring of Isaac and Rebekah. Neither of these two sons of Isaac were Jews, because Isaac and Rebekah weren't Jews. We all know the story of Esau selling his birthright for a bowl of soup, and I won't go into that part of the story now as it has no bearing on this study. What I will do, however, is swiftly move on to Jacob's story and reveal The Truth that he, too, did not marry a Jewess, but, rather, like his father, Isaac, before him, married into the same family blood line from Nahor – Abraham's brother.

"And he said unto them, Know ye Laban the son of Nahor? And they said, We know him. 6 And he said unto them, Is he well? And they said, He is well: and, behold, Rachel his daughter cometh with the sheep." Genesis 29:5-6 (MCV)

Just as an aside the name Laban means *'WHITE'* – just to let those promoting the *"Black Hebrew Israelites"* nonsense know.

So, there it is once more, Rachel, a Hebrew speaking Semitic Chaldean (as was her sister Leah), chosen as the future wives for Jacob, the Hebrew speaking Semitic Chaldean, and not a Jew in sight anywhere. That completes the story of the short genealogy of the three generations from Abraham to Jacob/Israel without a single Jew being born. This is because there weren't any Canaanite Jews born at this stage of the Biblical narrative, but they do enter onto the world's stage with the next generation. So please stay with it as all will be revealed in the next article.

Were Abraham, Isaac and Jacob Jews? Part 2 – The Patriarchs

Before I press on with the main theme, of this, my second article, on this crucial Biblical history, we need to establish or determine what a Patriarch is. First and foremost Patriarchs were very important pivotal people. How and why were they important? They were important because The Godhead made them important, and it is fundamental that we understand that *they did not make themselves important*. They did not set themselves up as Patriarchs, they were not egotistic dictators or tin pot megalomaniacs or tyrants. The title 'Patriarch' was a bestowed gift; an honour or blessing from The Father, all part of His glorious Grace.

OK, but why were they important, and why are they important to us today in the 21st century? They were and are important because they were the original forefathers or *progenitors of family dynasties, tribes or clans that grew to become, in this age today, thirteen of the nations of the world we live in.*

If we are of Celtic-Anglo-Saxon-Welsh and Judahite (Jutish) blood, then The Patriarchs are our original Biblical forefathers.

Shem, Ham and Japheth, Noah's sons, were Patriarchs too, *and it's from Shem, who was white, that we get Abraham's lineage, plus the lineage of all white peoples.* Now God called Abram and gave him a new name – Abraham, and made him a Patriarch, and God told him that nations, plural, would come from his loins.

"Again God said to him, "Your name is Jacob; You shall no longer be called Jacob, But Israel shall be your name." So he was called [b]Israel. And God said to him, "I am God Almighty. Be fruitful and multiply; A nation and a company of nations shall come from you, And kings shall be born of your loins." Genesis 35:10/11 Amplified Bible

Not only one nation, as the erroneous brainwashed religious officials would have us believe, but a *COMPANY OF NATIONS* and kings too. As a Patriarch, Abraham would produce other Patriarchs, that is, Isaac and Jacob/Israel his son and grandson who were Patriarchs also.

Before I move on, just ask yourself this question: when were The Jews ***ever*** a company of nations with kings ruling over them? Answers on the back of a postage stamp – thank you!!

Now, after Jacob, which, was renamed Israel by God, was that the end of the Patriarchs?

NO!

I ask this, because many, especially those of the Cainite-Judeo-Christian Religion, believe that to be the case, but they are catastrophically wrong. By being so seriously wrong they create a gaff of monumental proportions – a chasm of ignorance and error that totally distorts Biblical history and its whole message. Even the Gospels, and the identity of many of the intended recipients of that Good News message, are misunderstood. All the evidence is there in both Old and New Testaments. If only people would read and learn, but they don't! Apparently, they prefer blindness and man made deceptions?

So, I will now begin to demonstrate this awesome Truth.

Let's get back to the Patriarchs. As I was saying, was Jacob/Israel the last of the Patriarchs? The answer to this question is a decisive and resounding NO!! As always, we will go The Scriptures for our proof and evidence. It's strange, really, because the word *'Patriarch'* is nowhere to be found in the Old Testament but, rather, in the New Testament, and yet all the Patriarchs that ever lived, lived in Old Testament times. There are only four verses of Scripture that contain the word *'Patriarch(s)'* so I will copy them here:

"Brothers, I may confidently *and* freely say to you regarding the patriarch David that he both died and was buried, and his tomb is with us to this day." Acts 2;29 Amplified Bible

Straight way we have evidence that, even hundreds of years after Jacob, King David is referred to as a Patriarch, and he was a Patriarch, but in a very different way from the original Patriarchs. (We will return to learning the difference in a future study.)

"Now consider how great this man was, unto whom even The Patriarch Abraham gave the tenth of the spoils." Hebrews 7:4 (MCV)

"And he gave him The Covenant of Circumcision: and so Abraham begat Isaac, and circumcised him the eighth day; and Isaac begat Jacob; and Jacob begat The Twelve Patriarchs. 9 And The Patriarchs, moved with envy, sold Joseph into Egypt: but God was with him." Acts 7:8-9 (MCV)

Now here we have it in these last two verses of Acts. Jacob begat The Twelve Patriarchs, that is, Jacob/Israel's twelve sons by his four wives.

We must understand, that these twelve sons were The Patriarchs of Twelve Family Dynasties, that became The Twelve Tribes or clans, that became twelve independent nations, and these twelve nations are still with us today.

These are Jacob/Israel's Twelve Sons who were, or became, The Twelve Patriarchs and progenitors of twelve clans that became 12 modern western nations. Here are the 'Lost' Tribes or The Twelve Tribes of Israel:

Joseph, whom Jacob loved, (Joseph's inheritance would be split between his two sons **Ephraim** and **Manasseh** – the Birthright Inheritors), **Benjamin** the youngest son, **Simeon**, **Levi** – The Priesthood, J**udah** – The Royal Sceptre/Lineage through to King David and Jesus Christ, **Reuben** – the eldest son who, like Esau, lost the Birthright Inheritance, I**ssachar**, **Zebulon**, **Gad**, **Asher**, **Dan,** and **Naphtali**.

1. **Joseph~Ephraim** = Anglo-Saxon England (The Saacae or Saaka – Isaac's sons = Saxons) and Her Anglo-Saxon Commonwealth – Australia, Canada, NZ and S Africa (Now stolen).

2. **Joseph~Manasseh** = Anglo-Saxon USA (The Saacae or Saaka – Isaac's sons = Saxons)

3. **Simeon** = Scotland (The Scythians) and Scottish descendants everywhere.

4. **Levi** = Wales, (The Druids = descendants of The Levitical Priesthood with many butchered by the Romans in 46 AD), Cornwall and The Walloons of Belgium and Welsh descendants everywhere.

5. **Judah** = The Jutes, Northern Ireland (The Red Hand Flag of Zarah), Scotland and some dispersed in England with some also still dispersed in Western Europe including Germany (Assyria).

6. **Benjamin** = Norway, Iceland and Denmark.

7. **Dan** = (The Tuatha de Danaan) Southern Ireland and Irish descendants everywhere.

8. **Reuben** = Northern Gallic France = Paris, Brittany and Normandy and Gallic French descendants everywhere.

9. **Zebulon** pronounced Zeebulon = The Netherlands (the Zuider Zee) – a haven for ships and Dutch descendants everywhere.

10. **Gad** = Flanders (modern Belgium) including The Walloons.

11. **Issachar** = Switzerland.

12. **Naphtali** = Finland.

13. **Asher** = Sweden and Swedish descendants everywhere.

13 Patriarch Nations in total from 12 sons of Jacob/Israel with Joseph's inheritance split between his two sons Ephraim & Manasseh.

The Royal Judahites are descendant from only one of these Twelve Patriarchs and being known as Judahites, they carry a derivation of their forefather's name, that is, Judah. Judah is The Patriarchal forefather of the Royal Judahites only.

Now, the Canaanite Jews *were from his loins*, but they were not counted as his offspring nor as his heirs due to their mother being a Canaanite woman.

Judah was not the forefather of all the Israelites. Judah's eleven brothers were his fellow Patriarchs and were separate individual progenitors in their own God-given right to father their own identities as tribes, clans and then nations. Hence all Judahites are Israelites, but not all Israelites are Judahites. In fact the Judahites are a minority in Israel.

OK, having got this far, and as already hinted, we now need to understand that the Jewish line from Judah is a little more complicated than the lineages from the other eleven Patriarchs. Judah had a problem of not being able to keep his business in his trousers and he took a fancy to an Adullamite's daughter (A Canaanitess) named Bathshuah and sired three sons from her, two of whom were killed by God for their wickedness. However, the third son, Shelah, survived and he married yet another Canaanitess, thereby starting the non-Israelite line known as the Canaanite Jews, that is, non-Israelites or what some people erroneously call crypto-Jews, which they are not.

However, when dealing with the Canaanite Jews, up until 1947 they were not a geographical nation at all, due to God's punishment, and were dispersed around the globe. This diaspora took place in 70 AD when the Romans destroyed Jerusalem completely.

So the The Canaanite Jews, have never been a proper geographical nation known as Israel. Most of their existence has been spent as citizens. (Often, these Canaanite Jews were persecuted citizens of other nations. Is that important? It is, as we shall see.)

As we can now clearly see that there were 13 Patriarchs which, were not Jews, yes they were all brothers but not all full brothers. Jacob/Israel had four wives. Two of them were sisters being Laban's daughters, **Leah** and **Rachel,** and the other two wives were the hand maids of the sisters – **Bilhah** and **Zilpah**.

Leah the elder sister had 6 sons: Reuben (the eldest son), Simeon, Judah, Levi, Issachar and Zebulon.

Rachel, the wife Jacob loved, had two sons: Joseph and Benjamin (the youngest son)

Zilpah, Leah's hand maid had two sons: Gad and Asher.

Bilhah, Rachel's hand maid had two sons: Dan and Naphtali.

So, we have listed above are The Twelve Patriarchs which, sired their own Israelite tribe, clan and nation. So, observing carefully, only one of these was Judah which, was the Patriarch of the Royal Judahites; the Royal Line down through King David to Jesus Christ. The other Patriarchs were Israelites, but they were not Judahites. Judah was the first Judahite, and only his offspring were Judahites. Judah also sired the disinherited and outcast Canaanite Jews.

Now there was one final twist to this fascinating story of historical Israel and that twist lay in the story of Joseph's trials at the hand of his wicked jealous brothers which I will continue with in the next article. Please stay with it.

Were Abraham, Isaac and Jacob Jews? Part 3 – Joseph The Patriarch and The Birthright Inheritance

All of so called Christendom, that is, the Cainite-Judeo-Christian Religion, and millions outside of it, know the story of Joseph and his special status in the sight of his father Jacob, later renamed Israel and, how, through this favour he received the famous coat or tunic of many colours. A more powerful story of family favouritism, feuding and the fallout from same, you would be hard pressed to find!! The thing is, did this have anything to do with Jewishness and whether or not Joseph was a Jew?

Quite plainly, from Parts 1 & 2 above, I have proven that Joseph, through his parentage of Jacob and Rachel, being descendants of Isaac through Abraham through Eber to Shem was not a Jew. Like his half brother Judah, Joseph, was a Patriarch, and seriously blessed were his descendants were to become, through the promises made by God to Abraham, Isaac and Jacob.

By carefully reading the scriptures, we discover quite plainly that Joseph had been given the Spiritual gift of dreams or the gift of God-given dreams, with powerful messages for him and those around him:

"Now Israel (Jacob) loved Joseph more than all his children, because he was the son of his old age; and he made him a [distinctive] [c]multicoloured tunic. 4 His brothers saw that their father loved Joseph more than all of his brothers; so they hated him and could not [find it within themselves to] speak to him on friendly terms. 5 Now Joseph dreamed a dream, and he told it to his brothers, and they [d]hated him even more. 6 He said to them, "Please listen to [the details of] this dream which I have dreamed; 7 we [brothers] were binding sheaves [of grain stalks] in the field, and lo, my sheaf [suddenly] got up and stood upright *and* remained standing; and behold, your sheaves stood all around my sheaf and bowed down [in respect]." 8 His brothers said to him, "Are you actually going to reign over us? Are you really going to rule *and* govern us as your subjects?" So they hated him even more for [telling them about] his dreams and for his [arrogant] words. 9 But Joseph dreamed still another dream, and told it to his brothers [as well]. He said, "See here, I have again dreamed a dream, and lo, [this time I saw] eleven stars and the sun and the moon bowed down [in respect] to me!" 10 He told it to his father as well as to his brothers; but his father rebuked him and said to him [in disbelief], "What is [the meaning of] this dream that you have dreamed? Shall I and your mother and your brothers actually come to bow down to the ground [in respect] before you?" 11 Joseph's brothers were envious *and* jealous of him, but his father kept the words [of Joseph] *in mind* [wondering about their meaning]." Genesis 37:3-11 Amplified Bible (Underline Mine)

Here above in this short passage of Scripture we have vividly described for us the beginnings of family jealousy and the subsequent feuding that would grow into tribal jealousy, rivalry and hatred; leading eventually to national antagonism and, in the future, numerous bloody wars. This, literally, is the beginnings of real national families at war.

However, as an aside, this dream of Joseph's is repeated in the symbolism of the Book of Revelation, tying the Books of Genesis and Revelation together :

"And a great sign [warning of an ominous and frightening future event] appeared in heaven: a [a]woman clothed with the sun, with the moon beneath her feet, and on her head a crown of twelve stars. 2 She was with child (the Messiah) and she cried out, being in labor and in pain to give birth.3 Then another sign [of warning] was seen in heaven: behold, a great fiery red dragon (Satan) with [b]seven heads and ten horns, and on his heads were seven royal crowns (diadems). 4 And his tail swept [across the sky] *and* dragged away a third of the stars of heaven and flung them to the earth. And the dragon stood in front of the woman who was about to give birth, so that when she gave birth he might devour her child. 5 And she gave birth to a Son, a male *Child*, who is destined to rule (shepherd) all the nations with a rod of iron; and her Child was [c]caught up to God and to His throne." Revelation 12:1-5 Amplified Bible

Here we can see reference to a woman clothed with the sun and a crown of Twelve Stars which, are The Twelve Patriarchs, Tribes and Nations of Israel. The woman here is obviously Miriam (Mary) a Judahite Israelite descendant of Jacob/Israel, which, was mother to Jesus Christ that rules this earth with a Royal Sceptre (rod) of iron (tough love) at his Father's right hand.

Father and Son. The Godhead.

The Birthright Inheritance

I will press on now and jump to Genesis chapter 48 where we read of Jacob/Israel's passing on the blessings of Abraham and Isaac to his two grandsons, Joseph's sons Manasseh and Ephraim by his Egyptian wife, whom he married whilst living many years in Egypt.

Manasseh was Joseph's elder son, and Ephraim his younger son. So not only do we have Joseph, but we now have an Egyptian woman in the mix as well, which is not Israelite, producing two heirs to the birthright inheritance of Abraham, Isaac and Jacob/Israel.

Why are these two boys inheriting, and not Jacob's eldest son Reuben? Notice, too, that Judah, the forefather of the Judahites (and Canaanite Jews), is not inheriting either. The normal tradition would be for the eldest son to inherit. Unfortunately for Reuben he forfeited his right to the inheritance because of one serious misdemeanour – he defiled his father's bed

by sleeping with one of his father's wives.The juicy details of this violent act of retribution against his father Jacob can be found in Genesis 49:3-4 and 1Chronicles 5:1-2. (Also, if you can get your hands on a copy of the Book of Jasher there is more explanation to the story therein.)

Genesis 49:3-4 and 1Chronicles 5:1-2. tell us that Kings, as promised to Abraham, would come from him, and from Isaac and from Jacob/Israel to Judah to King David to Jesus Christ. Joseph, would inherit the physical birthright blessings; nationhood blessings in the real world of today.

Now go to Genesis 48 where this whole chapter is given over to the blessings of Joseph's two sons Manasseh and Ephraim.

"And now thy two sons, Ephraim and Manasseh, which were born unto thee in the land of Egypt before I came unto thee into Egypt, are mine; as Reuben and Simeon, they shall be mine." Genesis 48:5 (MCV)

Even though half Egyptian, Jacob makes these two boys full blooded Israelites, but, notice, they were not Jews and, notice too, that he specifically uses Reuben's and Simeon's names so as not to confuse anyone then or in the future with them being Judahites or Jews (sorry folks, but todays's Jews do not descend of Joseph.)

When Israel [who was almost blind] saw Joseph's sons, he said, "Who are these?" 9 Joseph said to his father, "They are my sons, whom God has given me here [in Egypt]." So he said, "Please bring them to me, so that I may bless them." 10 Now Israel's eyes were so dim from age that he could not see [clearly]. Then Joseph brought them close to him, and he kissed and embraced them. 11 Israel said to Joseph, "I never expected to see your face, but see, God has shown me your children as well." 12 Then Joseph took the boys [from his father's embrace], and he bowed [before him] with his face to the ground. 13 Then Joseph took them both, Ephraim with his right hand toward Israel's left, and Manasseh with his left hand toward Israel's right, and brought them close to him. 14 But Israel reached out his right hand and laid it on the head of Ephraim, who was the younger, and his left hand on Manasseh's head, [c]crossing his hands [intentionally], even though Manasseh was the firstborn. Genesis 48:8-14 Amplified Bible

Joseph tries to correct his father:

When Joseph saw that his father laid his right hand on Ephraim's head, it displeased him [because he was not the firstborn]; and he grasped his father's hand to move it from Ephraim's head to Manasseh's head. 18 Joseph said to his father, "Not so, my father, for this is the firstborn; place your right hand on Manasseh's head." Genesis 48:17,18 Amplified Bible

Jacob/Israel is having none of it:

But his father refused and said, "I know, my son, I know; Manasseh also will become a people and he will be great; but his younger brother shall be [e]greater than he, and his descendants shall become a multitude of nations." Genesis 48:19 Amplified Bible

So here we have it or, rather, we have them, two boys who are half Egyptian and half Israelite made full Israelites by the blessings of their forefathers Abraham, Isaac and their grandfather Jacob/Israel, but at the same time were neither Jews nor Judahites.

Even if we didn't have the background history we would have to be suspicious of the claims made by today's Jews and the modern state of Israel due to this particular prophecy that descendants of Abraham, Isaac and Jacob would become *two great nations one of which becoming a multitude of nations*. If applied to the Canaanite Jews of today, this prophecy could never be made to fit, because they have never been a great nation and they certainly have never been a multitude of nations. This evidence is crucial in proving that Jews of today are not the Israelites of ancient prophecy.

* For brevity and the need to simplify and clarify this work is an edited version of the original from Messenger Charles Crosby.
